St. Joe Valley Gun Club Plans Big Time Today

With pleasant summer weather promised the second annual "Beginners' day" of the St. Joseph Valley Gun club will undoubtedly entertain a record-breaking crowd at Muesel's grove this afternoon.

The principal event of the day will be a trap-shooting contest that will show what the beginners at the game can do. Only the novices who have shot less than 500 targets will be admitted into this event.

Special care will be taken to see that no one who is an experienced shot will be permitted to mar the sportsmanship of a tyro contest.

For the men there will be a sterling watch fob and for the women a sterling silver souvenir spoon.

There will be no entrance fee charged for this event other than a very small sum to cover the bare cost of the targets. Visiting shooters are invited to contest for these prizes and members of the club will be designated to give any instruction that may be necessary.

Experienced shooters will open a series of handicap meets that will continue throughout the summer.

The prize for the winner of this series will receive a trophy, the nature of which has not yet been decided. The list of entrants and their handicaps is to be published later.

Today's shoot will open promptly at 1 o'clock and will continue until each contestant has shot 25 targets.

ACADEMY PUPILS PRESENT PLAYLET

Twenty Girls Receive Their Diplomas During Closing Exercises.

"A Day in a Flower Garden" was the title of a beautiful playlet in two acts presented by the St. Joseph academy pupils at the closing exercises Friday afternoon in the parish auditorium before an audience of appreciative parents and friends.

In the musical given along with the play every pupil in the music department of the academy was represented on the program while the cast of the sketch was by the children up to the sixth grade. Even the tiny minims had their little parts to take.

Careful and sometimes hard training on the part of the sisters was responsible for the excellence of the production. Over 95 girls took part and all were in appropriate and unusually pretty costumes suggesting "Rain," "Fair Weather," "Noon," "Dawn," "Fireflies," "Butterflies," "Dewdrops," "Spiders," "Sunbeams," "Sunset," "Storm Clouds" and others.

The overture was played by the Misses Irene Lauber, Eleanor Hagerty, Martha and Rosemary Bliss at two pianos. The accompaniments to act two were by the Misses Catherine Zeiger, Marie Joyce, Hagerty, Lauber and Martha Bliss.

Class Presents March.

Another very pretty feature of the program was a "Cinderella March" (Papini) by the class ensemble. Two choruses, "Hail to the Dawn" (Suppe-Asinford) and "A Moonlight Boat Ride" (Vezzie), by the school, were particularly pleasing for their harmony and sweetness.

The Rev. John F. DeGroote, C. S. C., briefly gave the closing remarks complimenting the sisters for the work during the year and the pupils for the highly commendable manner in which they gave their various parts.

Twenty young girls received their diplomas from the eighth grade and will enter the high school department next fall. A class of nine were to have been graduated from the academy department but the course has recently been increased requiring an extra year of study. So preferring to complete the studies thoroughly the young girls preferred to wait until next June.

Sunday, Monday and Tuesday the work of the academy pupils in sewing and regular class work will be on display in the St. Joseph's academy, and an invitation to the general public has been extended.

Rodolfo Fornari Recital Pleases Good Audience

Under the auspices of the St. Joseph County Women's Christian Temperance union the Fornari Concert Co. presented a classical musical program in the tapestry room of the Olyffer hotel last night.

The concert was appreciated by a liberal audience that found but one fault with the entertainment and that was that so few of the better known classical pieces were included in the presentation. The artistic merit of the performers was quite up to the high standard set by the recitalists.

The company was composed of the following members: The Chevalier Rodolfo Fornari, baritone; Karel Havlicek, violinist; Carmelita Wilkes, soprano, and M. Ivina Ehrlich, pianist.

"La el Daren," from Mozart, displayed the abilities of the two vocal artists to the best advantage and was best appreciated of all the numbers of the evening. Mr. Fornari's voice has tone qualities not excelled by some of the best voices in the country and it has a depth and strength eminently suited to a much larger concert hall than is the tapestry room. The natural emotional tendencies of his race have much to do with the intensely dramatic rendition of his numbers.

Miss Wilkes' technique and tone quality were to the best advantage the wide range of her powers.

Mr. Havlicek's interpretation of "Bigeunweisen," by Sarasate, was a glimpse of Gypsy melody which sent the audience into ecstasies. In this piece he gave himself free rein and with his low pointed dashing, futuristic pictures full of life and color. Miss Ehrlich displayed an exceptionally delicate sense of tone values in all of her selections and especially in "Rhapsodie," by Dohnanyi, showed a remarkable sympathy of rendition.

MANY FEATURES AT CELEBRATION

New Carlisle Observes Centennial With Parade, Races and Speeches.

News-Times Special Service.

NEW CARLISLE, Ind., June 17.—

A display of beautiful floats, horse

races and an address in the evening

by Atty. Ralph M. Smith of Laporte,

Ind., were features of the celebra-

tion of the Indiana centennial here

Friday.

Horse races on Wade's road were

held in the morning. Halley's Comet,

a horse with a 2:14 record, owned

and driven by Huller of Troy, Mich.,

won the trotting race with the time

of 1:09 for a half mile. Clara Zeig-

ler's Peter the Great brought up a

close second.

mobile and for the best float. There

were 14 floats entered and the pa-

rade held during the afternoon was

more than one-half mile long.

Leo Tomlinson of South Bend won

the motorcycle race and Roy LeNot

of New Carlisle came in second. The

novelty automobile race proved one

of the interesting features of the

day. There were 14 entries and the

race consisted in driving to the end

of the pavement, which is one-half

mile long, and turning around a keg

and returning, stopping on a given

mark. The race was to show ability

in handling a car.

running star, won the 100-yard dash,

making it in 10.1-2 seconds. The

bicycle race was won by Ward Dud-

"Indiana" was the subject used by

Atty. R. M. Smith at the high school

auditorium in the evening. The city

band was present and rendered a

number of selections.
